Who we are

Do you have a passion for aviation and want to be part of a dynamic team? Then you've come to the right place! We are an innovative aviation company with our own maintenance facility at Karlsruhe/Baden-Baden Airport (FKB), dedicated to safely and reliably transporting our clients to destinations worldwide on state-of-the-art business jets. Our diverse fleet includes Bombardier models such as the Global XRS, Global 6000, and Global 7500. Our success is built on flexibility, professionalism, and the passion of our team, which is committed to delivering the highest level of service. To strengthen our flight operations, we're looking for your support!

Pilot in command (m/f/d) for Bombardier Global 7500

Your tasks with us

- **Ensure safety** – Support the safe execution of every flight and take responsibility for passengers, the aircraft, the crew, and the company
- **Be professional** – Utilize your expertise and sense of duty to accompany every flight professionally and reliably
- **Team up** – Work hand in hand with a dedicated team to ensure the highest standards

What we offer you

- **Modern environment** – An innovative, international working environment offering opportunities to take on responsibility and show initiative
- **Explore the world** – Global assignments and extended stays allow you to discover international destinations and gain exciting experiences
- **Fly as a team** – Modern 5-pilot operation supports safety, efficiency and collaboration
- **Work-life Balance**—Long-term roster with approx. 20 days ON / 15 days OFF
- **Grow with us** – We support your development through targeted training programs and further education
- **More benefits** – Enjoy numerous employee perks in tourism (e.g., discounted tickets and hotels), corporate benefits, and a company bike program

What we would like from you

- Valid type rating Global 7500 or BD700 with Global Vision Flight Deck is an advantage
- Flying Experience: 5.000 flight hours, including 3.500 flight hours on CS-25 aircraft;
  in addition: 1.000 flight hours as PIC on BD700
  or 1.500 flight hours as PIC on aircraft with MTOM > 30.000kg
- Extensive experience in international procedures and long-haul operation
- Familiar with Operational Requirements in Business Aviation
- Fluency in German and English, both written and spoken (minimum ICAO Level 5)
- Valid Medical Class 1 certificate
- Completed training according to AMC1 ORO.FC.220/230 for Commercial Air Transport
